Sire: PHIN PHIN is a KWPN approved stallion who has competed successfully at the 1.50m and 1.60m levels in Europe and is ranked highly in the jumping index in the Netherlands and Belgium. Phin Phin is ranked 24th in the KWPN breeding values, an index that measures sport performance, conformation, movement and health. Recognized for his breeding and sport accomplishments in 2010, Phin Phin was rewarded the Keur predicate by KWPN, and became an ambassador of the BWP (Belgium Warmblood) studbook in 2011.

Phin Phin has produced multiple offspring competing at the highest international levels in Showjumping e.g. Uniki, Avenier, Urona, Utah, Tin Tin, Top-Secret and Vedette-Spiel v. Field Phin Phin is by the Olympic horse Chin Chin, out of Miss Abdullah T by the international show jumper Abdullah.

Dam: GAZELLE KVS is by Cavalier out of an imported Star mare Obligeant II who is by the world famous KWPN foundation stallion Nimmerdor. Gazelle KVS is from the very sought after SINA mare line, through not only her sire Cavalier but also through her dam Obligeant II. Cavalier (under the name San Patrignano Mister) showed internationally to great acclaim under Franke Sloothaak winning more than 40 Grand Prix competitions. Cavalier was awarded the prestigious Keur predicate by the KWPN.

Gazelle KVS suffered a grave pasture injury as a young horse and therefore was never able to compete herself.

Notes: Malibu KVS is a modern type jumping prospect. She stands 17 hh with a good rectangular frame. She has correct conformation showing good movement and good scope and technique through the free jumping chute. At the time of sale she will have been going under saddle for 90 days.
