**Sire:** QUIDAM BLUE is an imported, licensed and approved Hanoverian stallion. As a 3-year-old, he completed the 70-Day Performance Test in Warendorf, Germany. Throughout the test he impressed judges with his calm character, pleasant mind and work attitude. He scored well in rideability and excelled in the jumping phase, finishing with a combined index of 107.31, and fourth overall in the jumping category. Quidam Blue's pedigree is filled with famous French, Holsteiner and Westfalen jumping bloodlines, including the names of QUIDAM DE REVEL, LANDGRAF I, COME ON, CANTUS, PILOT and WEINBERG. His grandsire QUIDAM DE REVEL and his maternal grandsire, COME ON, were both successful international show jumpers. He competed successfully with Jill Henselwood to 1.60m including 1st at 1.45m at Royal West; 3rd in 1.50m and 12th in World Cup 1.60m at Bromont; and 3rd in FEI Nations Cup at Bratislava.

**Dam:** ANGEL ON WINGH 'Kiddo' scored Premium at the CWHBA Mare Inspection. She is a stunning, athletic, and sweet mare who is flattered with compliments of her beauty and grace from everyone who meets her. She inherited her brilliant balanced movement from the Flemmingh line and was showing both keen jumping and dressage abilities while under saddle. She was transitioned from a performance prospect to a broodmare after her rider sustained a non-riding related injury. Kiddo is now living vicariously through her up and coming offspring.

**Notes:** QUARANTINO BLUE placed 1st in the CWHBA 2020 Foal Futurity. He comes from some of the strongest lines in the show jumping and dressage sports. The jumping QUIDAM line and the dressage FLEMMINGH line, giving him the blood talent to excel in both disciplines. Quarantino is already displaying exceptional movement and has three fantastic powerful rhythmic gates. Quarantino is a chestnut colt, turning grey. He is a gem to work with and is a sweetheart with the easiest going character. Quarantino is brave, bold and has a willing attitude. This colt is the total package and would be an excellent choice for a competitive equestrian athlete, he is accompanied with a bright future for a potential stallion prospect .
