Sire: CHIMERON Z is a beautiful modern stallion with outstanding jumping technique, which is not surprising when you look at his pedigree.

He is by the famous Chellano Z (Contender - Cor de la Bryere), Chimeron Z dam, Alpine Z, is by the outstanding stallion Acord II, and out of, April Love Z, an Alme Z daughter.

Dam: LIVIETTA Z is by Okanagan Show Jumping Stables foundation sire Le Sauvage, who's lineage includes Le Grand, Lord and Colt. She is out of Acadia Z who has the famous Alme Z on the top and Landgraf I on the bottom

Notes: CHELLETTO Z is a tall striking gelding and an absolute pleasure to ride and train. Chet has been amazing at the horse shows, he is focused on the jumps, very brave, yet attuned to the rider. He has a lovely mouth (he goes in a french link loose ring snaffle), jumps with great technique and power, yet remains easy to sit on. He was started in May 2019, and started showing Aug 20, 2019. He was second in the young horse finals for four year olds, held at St. Georges Stables in September 2019. He competed at Spruce Meadows indoors and recently at RMSJ Masqreade series, although he is only five he has a nice show record, with placings indoors, outdoors and on sand and also on the grass field. Chet is very light and rhythmical with lovely animated gates, his canter is balanced and supple with automatic lead changes, the trot is active and he has a lovely lengthened trot, the walk relaxed. He is good to hack out, staying calm and not spooky. He is good for the farrier, easy to clip and easy to load in the horse trailer. Chelletto Z is well on his way to becoming a top show horse, which is not a surprise considering his pedigree which boast such names as Chellano Z, Accord II, Lord, Alme, and Landegrad I. Thank you for considering Chelletto Z!
