Notes: ULTERRA KAMIRA Fancy to look at and even fancier to watch move! She looks to be a top hunter prospect and has all the character and charm, beauty and markings to fill the role. Moderate and smooth build, she has a fantastic canter and softness across the ground. She is as sweet as she is beautiful. Potential winner of conformation hunter, hacks and over fences she is the best choice for a hunter. She should have the canter and scope to jump well into the 1.30m as well.
