		Elissa (Han)
	Navajo's Special (Cw)	The Very Best (Tb)
		Madame Navajo (Tb)

Sire: BON BALOU was licensed Hanoverian in Verden in 2008. In 2009 Bon Balou won and placed in young horse classes. Also in 2009 Bon Balou successfully competed his 30 day test at Neustadt (Dosse), with very good scores in all categories. He is a modern-framed horse with outstanding jumping ability combined with excellent, active paces as well as an excellent temperament. He was named the Jumper Champion at the 70-day stallion test at Silver Creek Farm in OK, scoring an impressive 125.04 for 1st place. He was also 3rd overall. He had amazing scores in jumping, rideability 10 (which means both test riders scored him a 10 on rideability and show jumping ability), free-jumping 10, scope 9.5, canter 9, cross country gallop 9.0, character 9, willingness to work 9. Bon Balou showed a very well-rounded test putting up big jumping scores as well as very good gait scores. He also showed very good rideability and a good mind.

Dam: WYSTERRA has produced many beautiful foals and is a pleasure to ride and to handle.

Notes: BELLISSIMA II is a Premium CWB mare by the late Bon Balou. She inherited her sire's temperament and athleticism. She was schooling 1.0m with changes and level 2 dressage before having a year off to have her stunning colt by A Fine Romance xx, who is one of Canada's prominent Sport Horse stallions with outstanding international bloodlines for both the TB racing and equestrian sport world. A Fine Romance passes on his beauty, great movement, jumping ability and honest and brave temperament. This colt has the template for greatness. Bellissima II is also approved with Canadian Sport Horse Assoc and for the main mare book for both the Hanoverian and Oldenburg registry. Her colt can be registered Canadian Warmblood, Canadian Sporthorse, or Oldenburg. Don't miss out on this great package, Bellissima II is ready to get back into training, or to be Bred, and the Colt will be a great addition to anyones program.
