		Ulane de la Cour (Sf)
	Grand Gesture (Csh)	Godewind (Han)
		Good Vibrations (Csh)

Sire: DICONTENDRO unites top Holsteiner breeding as he is Diarado-Contendro-Caletto. He scored a 9 for jumping and all 8's for his gaits at his licencing. He was imported to Canada as a young horse then presented to Canadian Warmblood where he received a 9 for jumping and all 8's on his gaits. Although he had a late start in sport, he is now in a competitive program, showing 1.15m his first season and progressing quickly. He has excellent scope and temperament.

Dam: KAISERS ESPRIT is by Kaiser de La Cour who was champion at his licencing and excelled in young jumper classes before competing to 1.60m level. He finished his career in the junior equitation ring, a testament to his rideability. Kaiser's damline has produced many top sporthorses. Esprit's pedigree brings a strong mix of French and Hannoverian jumping talent through Verdi and Goya. Esprit is a tall large framed mare who passes on her height, easy temperament and good jump.

Notes: ESTELLE FF is a lovely prospect for the jumper or equitation ring. She is a tall filly who will mature in the 16.2 range. She has a big step and balanced way of going. She has a calm, kind temperament and is a gentle sensitive type who bonds with her handler. She will do very well in a dedicated partnership and gives all the indication that she will excel under saddle. She is not reactive or spooky and has been well handled. She has lived out and in and trailers well.
